Ft. Dix Directions (from the Myer's Center to Ft. Dix / Range 1 Facilities)(See figure 3)

Take the Garden State Parkway South for 5.4 miles to Exit 98. You will see a sign reading "Exit 98 to Route 138 East / Route 34 / I-195 /Belmar /Point Pleasant / Trenton". Bear right onto off-ramp at exit 98 to RT-34 North for 0.1 miles. You will see a sign reading "Route 34 N to I-195 West / Trenton / Allaire Airport". Take Route 34 north ramp and go south for 0.82 miles to Route 34 north. Continue onto Route 34 north and go north for 0.28 miles to I-195 West. You will see a sign reading "I-195 West to Trenton". Bear right on ramp to I-195 West and merge with caution for .2 miles. Continue on I-195 West and go west for 17.2 miles to Exit 16. You will see a sign reading "Exit16 to County Road 537 / Mount Holly / Six Flags / Freehold". Bear right onto off-ramp at exit 16 to Monmouth Road (CR-537). Bear left onto Monmouth Road (CR-537) and go southwest for 9.6 miles. Make left on Meany Rd. You will pass through Cookstown and the road name changes to Browns Mills – Cookstown Rd. Stay on this road and you will notice signs that indicate you are on Government property along the fence to your right. Make a left on to Cooks Corner Rd., the C4ISR VIP building is a short drive on this road on the left. The Admin / M&S Building is a little further up Cooks Corner Rd. on the left. To get to the Range 1 buildings, make a left from either the VIP or Admin / M&S) building. Stay on this road, it turns into a dirt road. Make a right at the first major intersection. A metal guardrail will be on your right at this intersection. Stay on this road approximately ¼ mile. You will see signs at the road entrance that say Range 1 on the right. Follow this road until you get to the chain-link fence. Open the gate and re-attached the chain and lock as you find it. The GIC NOC, C4ISR SPO Testbed HQ's and Maintenance Facility are located on these premises. There are contact numbers on the fence to call if you need access assistance.
